

## Taxonomic List of Fishes found in the Nandur Madhameshwar Wildlife Sanctuary

| Sr. No. | Commen Name                            | Scientific Name                  | Order         | Family     | Habitat         | Wildlife Protection ACT, 1972 | IUCN RED LIST | CITES | Status             |
|---------|--|----------------------------------|---------------|------------|-----------------|-------------------------------|---------------|-------|--------------------|
| 1.      | Elongate Glassy Perchlet               | <i>Chanda nama</i>               | Perciformes   | Ambassidae | Benthopelagic   | -                             | LC            | -     | Native             |
| 2.      | Indian Glassy Fish                     | <i>Parambassis ranga</i>         | Perciformes   | Ambassidae | Demersal        | -                             | LC            | -     | Native             |
| 3.      | Gangetic mystus,                       | <i>Mystus cavasius</i>           | Siluriformes  | Bagridae   | Demersal        | -                             | LC            | -     | Native             |
| 4.      | Spottail needlefish                    | <i>Strongylura strongylura</i>   | Beloniformes  | Belonidae  | Pelagic-neritic | -                             | -             | -     | Native             |
| 5.      | Great snakehead,<br>Bullseye Snakehead | <i>Channa marulius</i>           | Perciformes   | Channidae  | Benthopelagic   | -                             | LC            | -     | Native             |
| 6.      | Spotted snakehead                      | <i>Channa punctata</i>           | Perciformes   | Channidae  | Benthopelagic   | -                             | LC            | -     | Native             |
| 7.      | Mola carplet                           | <i>Amblypharyngodon mola</i>     | Cypriniformes | Cyprinidae | Benthopelagic   | -                             | LC            | -     | Native             |
| 8.      | Reba Carp                              | <i>Cirrhinus reba</i>            | Cypriniformes | Cyprinidae | Benthopelagic   | -                             | LC            | -     | Native             |
| 9.      | Mullya Garra                           | <i>Garra mullya</i>              | Cypriniformes | Cyprinidae | Benthopelagic   | -                             | LC            | -     | Native             |
| 10.     | Deolali Minnow                         | <i>Parapsilorhynchus prateri</i> | Cypriniformes | Cyprinidae | Benthopelagic   | -                             | <b>CR</b>     | -     | Native/<br>Endemic |

|     |  |                             |               |            |               |   |           |   |                    |
|-----|--|-----------------------------|---------------|------------|---------------|---|-----------|---|--------------------|
| 11. | Slender rasbora  | <i>Rasbora labiosa</i>      | Cypriniformes | Cyprinidae | Benthopelagic | - | LC        | - | Native/<br>Endemic |
| 12. | Spottedsail Barb,<br>Dwarf Barb, Phutuni<br>Bbarb, Pygmy Barb            | <i>Pethia phutunio</i>      | Cypriniformes | Cyprinidae | Benthopelagic | - | LC        | - | Native             |
| 13. | Shalyni Barb   | <i>Pethia shalynius</i>     | Cypriniformes | Cyprinidae | Benthopelagic | - | <b>VU</b> | - | Native             |
| 14. | Spotfin Swamp Barb,<br>Pool Barb, Stigma<br>Barb                         | <i>Puntius sophore</i>      | Cypriniformes | Cyprinidae | Benthopelagic | - | LC        | - | Native             |
| 15. | Ticto Barb, Firefin<br>Barb, Tic-tac-toe<br>Barb, Two-spot Barb          | <i>Pethia ticto</i>         | Cypriniformes | Cyprinidae | Benthopelagic | - | LC        | - | Native             |
| 16. | Large Razorbelly<br>Minnow   | <i>Salmophasia bacaila</i>  | Cypriniformes | Cyprinidae | Benthopelagic | - | LC        | - | Native             |
| 17. | Novacula Razor Belly<br>Minnow   | <i>Salmophasia novacula</i> | Cypriniformes | Cyprinidae | Benthopelagic | - | LC        | - | Native/<br>Endemic |
| 18. | Bar Eyed Goby, Fresh<br>Water Goby,<br>Gangetic Tank Goby,<br>White goby | <i>Glossogobius giuris</i>  | Perciformes   | Gobiidae   | Benthopelagic | - | LC        | - | Native             |

|     |  |                                |                   |                  |               |   |           |   |                    |
|-----|--|--------------------------------|-------------------|------------------|---------------|---|-----------|---|--------------------|
| 19. | Stinging catfish                       | <i>Heteropneustes fossilis</i> | Siluriformes      | Heteropneustidae | Demersal      | - | LC        | - | Native             |
| 20. | Spiny Eel                              | <i>Macrogathus aral</i>        | Synbranchiformes  | Mastacembelidae  | Benthopelagic | - | LC        | - | Native             |
| 21. | Barred Spiny Eel,<br>Indian Spiny Eel  | <i>Macrogathus pancalus</i>    | Synbranchiformes  | Mastacembelidae  | Benthopelagic | - | LC        | - | Native             |
| 22. | Clown knifefish,<br>Indian featherback | <i>Chitala chitala</i>         | Osteoglossiformes | Notopteridae     | Demersal      | - | <b>NT</b> | - | Native             |
| 23. | Bronze featherback                     | <i>Notopterus notopterus</i>   | Osteoglossiformes | Notopteridae     | Demersal      | - | LC        | - | Native             |
| 24. | Butter Catfish, Goan<br>Catfish        | <i>Ompok malabaricus</i>       | Siluriformes      | Siluridae        | Benthopelagic | - | LC        | - | Native/<br>Endemic |

**LC**= Least Concern, **NT**= Near Threatened, **VU**=Vulnerable, **CR**=Critically Endangered
